borg& overström

First choice for education and healthcare

Built at an ideal height for both adults and children the B3 also features an ultra-hygienic touch-sensitive control panel, the biggest dispense area in its class for bottles and a tamper-proof rear cover guard for safety.

Reasons to choose

- Ultra-hygienic touch sensitive control panel
- High-capacity dispense area for bottles and jugs
- Integrated cup dispenser
- Sealed, hygienic, direct-chill cooling system
- Sparkling water option

Borg & Overström Totality™

Driven by a relentless pursuit of excellence, Borg & Overström Totality™ is a research and development methodology for the advancement of hygiene, innovation and technology in refreshment systems.

Biofilm, limescale and impact resistant epoxy resin panel finish

Providing an increased level of hygiene and longevity, Fynil™ is a scratch and impact resistant epoxy-resin surface finish - effectively resisting biofilm development and limescale cohesion.

Laboratory certified 99.999% bacteria-free

Every Borg & Overström appliance undergoes an anti-microbial, antipathogen, sanitising procedure. The reassurance of hygienically safe appliances is provided by the unique bacteria-eliminating process, Sterizen™.

Ultra-violet sterilising system

For added hygiene confidence, appliances can be fitted with Viovandt™ – an ultra-violet sterilisation process that reduces water-born bacteria.
