Bolero XL

The art of
espresso coffee

Speed combined with ease of use

A wide variety of hot drinks, ease of use and proven technology; whether you want large or small quantities of coffee, the Bolero series of instant beverage machines offer the perfect solution for every location.

The Bolero series from Bravilor Bonamat generates a professional appearance thanks to the use of durable materials such as stainless steel. Various hot beverages and hot water can be delivered quickly at the push of a button!

Bolero

The Bolero series from Bravilor Bonamat features speed and efficiency. Pressing a single button delivers a cup of coffee, cappuccino or hot chocolate (depending on your chosen model) in next to no time. A separate tap also provides hot water for tea or soup.

User-friendliness is the key feature of the Bolero series. The Bolero is available in *Mysterious Grey* and *Stardust White*, so it fits perfectly into any interior colour scheme.

Bolero: for both cups and decanters

- Clear menu with LED display
- Use of durable materials
- Closable canister outlet
- Programming options for each drink
- Unique mixing system ensures perfect flow of ingredients
- Easy to clean thanks to the removable ventilation housing
- Easy to program
- Quick and user-friendly

Transparent canisters

Clear and user-friendly. The Bolero Turbo (XL) can even take extra-wide 5.3 litre canisters.

Bolero XL

Would you like to expand the range of choice to eight hot drinks? With an additional tap for hot water? Then opt for the Bolero XL.

This machine has 3 or 4 transparent canisters offering a wide range of drinks. One is for coffee, of course, the others allow you to serve cappuccino, café au lait, moccachino and hot chocolate.

The unique mixing systems ensure a perfectly reliable flow of the instant ingredients, thus eliminating any risk of build-ups. The machines in the Bolero series signal when the drip-tray is full, and offer an adjustable energy saving mode to reduce your use of energy. The Bolero XL models are available in *Mysterious Grey* and *Stardust White*. The Bolero XL is also available with an optional separate cold water unit for serving glasses of cold water.

- 8 drinks + hot water
- 3 or 4 canisters e.g. for coffee, topping and cocoa
- Optional: separate cold water unit
- Optional: coin mechanism

Coin mechanism

The Bolero XL is also available with a built-in coin mechanism.
