Chemical-free, eco-friendly integrated UV-LED purification.

SensorBeam™ Base Cabinet
Floorstanding base with projection touchless dispense.

Hygiene

Totality®
Filtration and hygiene assurance with Biomaster®.

Custom built, haute hydration.

Custom built to order by hand, the E7 offers a refined tap-style dispense system, poised elegantly above a unique Corian® top with integrated drip tray and antimicrobial touch panel. Illuminated SensorBeam projection control provides a futuristic and hygienic touchless dispense experience, whilst our exclusive ProCore® system delivers energy-efficient, powerful performance with advanced energy-saving EcoMode. The E7 stands as an effortlessly luxurious free-standing water dispenser for discerning environments.

Environmentally conscious design.

Designed and built in the UK, the E7 is powered by our exclusive, compact ProCore® system with discrete ventilation and advanced modularity. Utilising an intelligent and energy-efficient EcoBoil hot water system, with our unique DryChill® airless, rapid cooling technology, eco-refrigerant gas and recyclable components, the E7 delivers the ultimate in sustainability, hygiene and performance.

Confidently clean water.

Totality® is our 5-step methodology to achieving pure, healthier, premium water. Providing hygiene assurance in every pour, Totality® reduces sediment, odours, chlorine and microplastics, for freshly-filtered water that is safe to drink and tastes clean and crisp.

For complete peace of mind, select Viovandt® enhanced UV-C purification. The ultraviolet LED technology provides eco-friendly, chemical-free sterilisation to reduce bacteria and viruses.

Bottleless water for discerning environment.

Designed for discerning environments, the E7's elegant aesthetics matches the contemporary haute of the modern boardroom to luxury retail and includes a hard wearing and easy-to-clean Fynil® finish, complete with antimicrobial protection, for complete hygiene confidence in communal areas. Featuring unique SensorBeam™ touchless technology, the E7's illuminated projections allow for users to pour a glass of freshly-filtered water with beautiful simplicity, providing effortlessly elegant hydration.

An exclusive and exquisitely designed free-standing premium water dispenser.

Excellence in every pour.
